THOMAS T. REES.

A death which has occasioned profound sorrow in the community occurred about 2:30 o'clock last afternoon when Mr. Thomas T. Rees passed to the Great Beyond.

Some two weeks since he was attacked with appendicitis. His condition continued to grow worse and early yesterday all hope for his recovery was abandoned.

Mr. Rees was 17 years of age and was the second son of Mr. and Mrs. D. J. Rees of near Washington.

He was one of Mason county's most promising young men. Studious, of exemplary habits and a boy in whom every confidence could be placed, he was popular with all his associates, old and young alike.

He was a pupil of the Mayeville High School and would have graduated in June. In his demise his classmates have lost one of their most valued members and the Faculty of the School a student whose untiring industry and personal honor were unexcelled.

Out of respect to his memory his class has been dismissed until after his funeral, and tomorrow the entire school will be adjourned.

Besides his bereaved parents there are two brothers surviving.

The funeral will take place tomorrow morning at 10:30, sun time, at his home near Washington.

The services will be conducted by Rev. Froh and the interment will be in Mayeville Cemetery.

LEAVES FOR LOS ANGELES

The Rev. F. W. Harrop Starts This Morning For California

Rev. F. W. Harrop, Presiding Elder of the Methodist Episcopal Church of the Mayeville District, left for Los Angeles, Cal., this morning. The General Conference opens in that city May 4th, and a shake-up in the societies of the Church is predicted.

The Home and the Foreign Missionary Societies, now operating together, are to be separated, the first coupled with the Church extension work and the latter left to itself.

The Educational and the Freedmen's Aid Societies are to be consolidated.

The two Deacons Societies, one a regular Church organization and the other a part of the Women's Home Mission, will also in all probability be consolidated into one.

Brother Harrop is expected by his legion of friends and admirers in this city to hold up his end of the log and give a good account of himself on his return. Bon voyage and safe return.

In the absence of Elder Harrop the Rev. Thomas Hanford of Augusta will act in his stead in the sacramental services at the M. E. Church next Sabbath at both morning and evening services.

The Rev. M. A. Banker will occupy Rev. Hanford's pulpit in Augusta.

REAL APRIL "SHOWER"

Wind and Rain Got in Their Work Here Early Last Evening

The threatening aspect of the sky, though the clouds gathering fast somewhat prepared the people for the terrific storm which broke over this section about 6 o'clock last night.

For the time being the wind and rain vied with each other in their might, and beside washing the ground much damage was done.

Accompanied with peals of thunder and vivid lightning the storm, to those who are not easily frightened, was a magnificent display of the elements.

Two fine apple trees in the yard of Mrs. H. H. Collins in the Sixth Ward were completely uprooted.

A brick residence near the Cemetery, occupied by Mr. William Johst and family, was damaged to the extent of about \$500. The roof on the dwelling was of his construction and it was lifted entirely off in several sections and carried some distance. Mr. Johst, his wife and four children, left in the drenching rain, began to remove their household goods to adjoining buildings.

The greatest loss was sustained by the Sphar Pressed Brickworks, whose plant, the old amphitheater at the Fairgrounds, is almost a total wreck. The big structure was lifted from its foundation and carried North eighteen or twenty feet. The damage is thought to be fully \$5,000, and no doubt the cost of restoring the old plant would exceed the cost of an entirely new structure.

The results of the storm are very apparent here, where, only a few months since stood one of the amphitheaters on a modern Fairgrounds, and now all in ruins.

Losses were sustained in the county, gardens being again ruined and fences washed away.

"DO IT TODAY."

The time-worn injunction, "Never put off 'til tomorrow what you can do today," is now generally presented in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it TODAY, and let that remedy be Dr. Bo-schee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep-seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure, as it has done before in thousands of apparently hopeless cases of lung trouble. New trial bottles, 25c; regular size, 75c. For sale at Henry W. Ray's Postoffice Drugstore.

Mr. Gilbert Ward Morgan and Miss Ivy Owens, daughter of Mr. William L. H. Owens of Louisville, were married the past week in Chicago. The marriage was a very quiet one owing to the recent death of the bride's mother and sister in the Iroquois Theater holocaust.

Mr. Frank Jennings of this city and Miss Cynthia Johnson of Dossetts, Tenn., were married Sunday morning and came to this city for a two week's stay with Mr. and Mrs. Robert Jennings, the groom's parents.

THE affirmation by a political majority of the Court of Appeals of the life sentence of JIM HOWARD adds another chapter to the already strange story of GOEBEL's murder. HOWARD was undoubtedly in Frankfort when the deed was done. He says so himself; but he was not in the building from which the shot was fired. Months after the killing, and when HOWARD was almost absolutely safe from arrest in his mountain home, he was charged with the murder. Learning this, he deliberately took a

train for Frankfort and voluntarily surrendered himself to the officers—an act that a guilty man would hardly do unless he was crazy.

And now come the trials before partisan Courts and partisan Juries—and HENRY E. YOUTSEY, the latter one of the "conspirators" now in the Penitentiary for life. YOUTSEY swore positively that HOWARD fired the shot that killed WILLIAM GOEBEL, and it was mainly on his testimony that conviction was had, and a life sentence imposed.

Nor must it be forgotten that this same HENRY E. YOUTSEY swore most positively that CALEN POWERS had no part in the murder of GOEBEL, and on a subsequent occasion swore just as positively that POWERS was guilty of the murder—although POWERS was in Louisville when GOEBEL was killed in Frankfort!

And on the testimony of such a perjurer as YOUTSEY, ex-Secretary of State CALEN POWERS has been sentenced to hang and JIM HOWARD is to spend the remainder of his life in the Penitentiary.

Indeed, we in Kentucky live amid strange surroundings!

LOOKING BACKWARD

But Grandpa Lane Won't Admit That He Is That Old

Mr. George Lingenfelter, one of Mason's old and honored citizens, happened to meet in Market street yesterday morning a whiffling friar in halcyon days of yore, Mr. I. M. Lane, and in the interchange of greetings they recalled the good old days when both were companions in labor in Marshall's Nursery—better known as the Salsar place—located on the outskirts of the city at the intersection of the Hill City and Fleming pikes.

Among other things Mr. Lingenfelter remarked that tomorrow he would have reached the three score and ten period of life.

Brother Lane was reticent in regard to his own age, as he still considers himself in the matrimonial market, and not for an instant would he have the impression go forth that he was hereabouts 70 years ago.

Fire in the second and third floors of A. Goldberg's clothing house at Cythiana yesterday morning did damage amounting to \$10,000 or \$15,000, mostly from water. Insured. The fire started from a box where rags had been thrown from a pressing table.

D. D. D. SPECIAL OFFER

REGARDING

diseases of the skin.

I have lately secured the agency for this city and vicinity of a preparation which is reliable and certain in clearing away troubles of the skin. Many forms of skin affections which have been considered incurable are conquered by this medicament as easily as a cough is stopped by the proper soothing and healing influences. This preparation is now in use among skin specialists, and many large hospitals have adopted it for eczema and kindred cases. It stands among the most useful medical agents now known.

I have evidence of its work to show which will interest any sufferer. Call and investigate same. Since I have been handling the remedy—known as D. D. D.—its work proves so effective I guarantee its efficacy. In all cases of skin affection I will refund the price of a bottle (\$1) if the sufferer does not consider it literally a Godsend after trying. It is curing the worst kind of cases every day. It seems a pity any one should suffer the torture of skin troubles when so dependable a curative agent can be had so cheaply.

Husband Once More Takes Erring Wife to His Home

Woman's ways are sometimes past finding out.

Mr. Mike Lundrigan of Bracken county is a farmer in good ordinary circumstances.

He has always provided and cared for his family.

His wife has on two separate occasions left him without provocation.

The last time was about ten days ago when she came to this city and was stopping with a family by the name of McKibben in West Third street.

Notwithstanding the escapades of the woman, the father, for love of his child, came to this city on the hunt of the mother.

Securing the aid of Policeman Ryan, that efficient officer was not long in locating the woman.

After a consultation, the husband, for the child's sake, forgave past direful conduct on the part of the wife and took her back to the home she had forsaken.

AILING WOMEN.
Cincinnati, Aug. 26, 1903.—"I heartily recommend Paine's Celery Compound, as I have used it for several purposes, and keep it constantly in the house. I say—'Once used, always used'—especially in the case of ailing women."—Miss ESSIE LLOYD, 1251 Russell Street.

"I was Sick—Dizzy—Worn Out."
North Weymouth, Dec. 14th.—"Paine's Celery Compound is the best and most effective medicine I have ever taken. I was sick, dizzy and worn out for a long time and unable to attend to business. My blood was in troublesome condition. I was advised to try Paine's Celery Compound, which I did with pleasing results, and in a short time I was able to return to my business. My blood is greatly benefited. I would advise all who are run down by overwork or who need a blood tonic to take Paine's Celery Compound. They will find that it will be a great benefit to them."—T. P. Paterson.

"I testify in regard to Paine's Celery Compound, that I had had blood and was subject to neuralgia, was much bothered, having tried various specifics, but to no purpose; thought I would try Paine's Celery Compound, used three bottles and it cured me. I shall recommend it to all of my friends. I consider it the best medicine I ever met for nervous diseases."—John Erpenbach, 616 Patman ave., Eau Claire, Wis.

"Blood and Nerves and Heart and Lungs—Liver and Bowels and Brain, the Center of all the LIFE, HEALTH and VITALITY in the Human Body is in the NERVES. Trace Your Nerves and Tired Feeling to its Real Source."—Prof. Edward E. Phelps, M.D., LL.D., of Dartmouth University—Famous Discoverer of Paine's Celery Compound.

ONE COPY—ONE CENT.

Mrs. Richard T. Anderson's friends will be glad to hear that she has recovered sufficiently from an operation performed a month ago at St. Joseph's Hospital, Lexington, to be removed to her home. She is much improved in health and her friends hope she will soon be entirely recovered.

Mrs. Fairbanks tells how neglect of warning symptoms will soon prostrate a woman. She thinks woman's safeguard is Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Ignorance and neglect are the cause of untold female suffering, not only with the laws of health but with the chance of a cure. I did not heed the warnings of headaches, organic pains, and general weariness, until I was well nigh prostrated. I knew I had to do something. Happily I did the right thing. I took Lydia E. Pinkham's Vegetable Compound faithfully, according to directions, and was rewarded in a few weeks to find that my aches and pains disappeared, and I again felt the glow of health through my body. Since I have been well I have been more careful, I have also advised a number of my sick friends to take Lydia E. Pinkham's Vegetable Compound, and they have never had reason to be sorry. Yours very truly, Mrs. MAY FAIRBANKS, 210 South 5th St., Minneapolis, Minn." (Mrs. Fairbanks is one of the most successful and highest salaried travelling saleswomen in the West.)—\$5000 forfeit if original of above letter proving genuineness cannot be produced.

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

The entertainment, "The Little Japs," given at Scott's Chapel last Wednesday night, will be repeated tomorrow night at the Church by request.

Look Out For Smappox Carpets—Contagion in Carpet Dust

The Health Department of Louisville has forbidden the heating or shaking of carpets in the residence part of the city, as the practice is known to be a common means of spreading the germs of contagious disease.

Dr. Allen, the Health Officer, also recommends the sprinkling of the streets to arrest the spread of tuberculosis by keeping down the dried sputa of consumptive sufferers.

Complete External and Internal Treatment Price One Dollar

In the treatment of torturing, disfiguring, itching, scaly, crusted, pimply, blotchy and scrofulous humors of the skin, scalp and blood, with loss of hair, Cuticura Soap, Ointment and Pills have been wonderfully successful. Even the most obstinate of constitutional humors, such as bad blood, scrofula, inherited and contagious humors, with loss of hair, glandular swellings, ulcerous patches in the throat and mouth, sore eyes, copper-colored blotches, as well as boils, carbuncles, scurvy, sties, ulcers and sores arising from an impure condition of the blood, yield to the Cuticura Treatment, when all other remedies fail.

And greater still, if possible, is the wonderful record of cures of torturing, disfiguring humors among infants and children. The suffering which Cuticura Remedies have alleviated among the young, and the comfort they have afforded worn-out and worried parents, have led to their adoption in countless homes as priceless curatives for the skin and blood. Infantile and birth humors, milk crust, scalled head, eczema, rashes and every form of itching, scaly, pimply skin and scalp humors, with loss of hair, of infancy and childhood, are speedily, permanently and economically cured when all other remedies suitable for children, and even the best physicians, fail.

SOCIAL
EVENTS

Between the hours of 2 and 5 o'clock last Friday afternoon the Messrs. Martin threw open their clubroom to the ladies of Maysville. The games of billiards and pool found an enthusiastic gathering eager to be initiated in the ways and science thereof. Apart from the pleasure derived in handling with some skill a cue over either green table, physicians have declared that the exercise gained thereby is health-giving. This last idea was probably not thought of by the women present, but whatever the motive enthusiasm and interest were manifest and the balls clicked merrily to and fro, with an occasional one in the pocket, which spurred the less successful into further effort. A generous luncheon was served, which proved the excellency of the cuisine of the Cafe. Now it remains to be proven whether or not Maysvillians want a place of amusement of this kind—a place well ordered, well maintained, open to the public, with certain days set apart for ladies in order that they may become proficient in these games, intended for them as well as men. There has long been a call for some such place, and it is up to you, not to push it along elsewhere, but to keep it up to its present standard here at home.

Russians Make the Japs Look Like Twenty-Nine Cents

Special Report From Colonel's Petropopolovskoff to The Ledgeroff

Some days ago the one-horse city news sharks thought they had a leadpipe cinch on all the information that was floating in the air when they printed a wireless telegram that the Russians had sandbagged 7,000 of our friends the little Japs on the Yahoo in the Far East.

But now it turns out just the other way, as will be noted from THE LEDGER's special report from Colonel's Petropopolovskoff, who was present at the scrap, and whose account is the only authentic one now in print. Here it is—

And then the Colonel's took a drink with the Czar.

It contains ALL the medicinal elements of cod liver oil, actually taken from genuine, fresh cod-livers, with organic iron, and other body building ingredients, in a deliciously palatable and easily digested form. It is therefore recognized as the

GREATEST MODERN
STRENGTH CREATOR

known to medicine—the original GUARANTEED REMEDY FOR

Chronic Colds—Hacking Coughs.

Sure signs of danger ahead. VINOL is the exact medicine needed. It does not upset the stomach, and it surely heals and renews the irritated, diseased surfaces that cause the cough. Try it at our risk.

Bronchitis—Sore Lungs.

There is no medicine so valuable for restoring strength to the throat and lungs as VINOL. It is the grandest lung medicine known. This we guarantee.

Debilitated—All Tired Out.

It is not natural to feel continually tired. We guarantee VINOL will bring life, strength and vigor to the debilitated, run-down system.

To Gain Flesh—To Get Strong.

We know VINOL will make flesh faster than any preparation containing grease. We can prove that VINOL quickly creates strength.

Old People—Weak People.

Need a strengthening and invigorating rebuild. VINOL is of exceptional value in such cases. VINOL positively rejuvenates old folks. Money back to those not satisfied.

Nervousness—Irritability.

Diseased nerves are due to overwork, insufficient nourishment or slow breaking down of general health. VINOL actually rebuilds the entire body and heals ragged nerves.

Pale Women—Pale Children.

Pale, haggard faces show that the blood is poor and thin, also indicate imperfect digestion. VINOL will correct such troubles as surely as the sun shines.

Nursing Mothers—Weak Mothers.

You know the life and future development of the child depend upon proper nourishment. VINOL helps nature change food into body material. VINOL costs nothing unless it benefits.

THIS WARRANT IS PRINTED ON EVERY VINOL PACKAGE.

We mean exactly what we say in this Warrant—without reservation or equivocation. We know VINOL is the best tonic preparation and general builder of health known to medicine. We bank our reputation and fortune on its being wholesome, delicious and most efficacious, and on the fact that no other maker can produce anything like VINOL. The statement that any other medicine is the same as VINOL is false. Don't take our word for it—try it yourself at our expense—if it does not help you we stand the loss—it costs you nothing.

A Wife and Mother

Should not be exposed to the schemes of self-styled financiers. So think a great many men who, instead of leaving their insurance in bulk to their widows, have counseled with The Mutual Life Insurance Company of New York, and adopted a course, which has eventuated in something like the plan of the late

Archibald N. Waterhouse, of Philadelphia, who died suddenly last Friday, and who held policies amounting to \$80,000 in The Mutual Life Insurance Company of New York. The terms of insurance under which these policies were issued were so selected that his widow will receive at once \$50,000 in cash and an annual income of \$3,000 for twenty years, and if she is living at the end of that period she will receive \$50,000 in cash, making the total amount received under these policies \$140,000 on which the premiums paid by Mr. Waterhouse amounted to only \$27,492.30. A Citizen of Maysville Pays a Well-earned Tribute

The following public statement of a respected citizen adds one more emphatic endorsement of merit to the scores that have appeared before.

Mrs. Philip Fist of 129 East Fifth street says: "Our son used Doan's Kidney Pills sold at J. Jas. Wood & Son's Drugstore, corner of West Second and Market streets, with great benefit. He was troubled with a disturbed condition of his kidneys for a long time, evidenced by back-ache, brisk dust sediment in the secretions and a tendency to inflammation of the bladder. The use of two boxes of Doan's Kidney Pills proved them to act up to their presentations made for them."
